

BQP is the largest pig producer in the UK working with over 350 partnership farmers to supply high welfare, quality products to premium markets. Part of Pilgrim's Pride Ltd, we are a totally integrated business and proud of our 'farm to fork' approach, as such we are now looking for the following:

Head of Veterinary Services - East Anglia and the North.

You'll develop, manage and implement clinical strategies to maintain animal health and welfare within the business. You'll also be responsible for the development and running of the dispensary services and provide technical support to the business on behalf of key customers and key industry stakeholder groups.

Ideally you'll be an experienced qualified MRCVS vet with knowledge of outdoor pig production and the technical knowhow to drive excellence in animal health. Above all, you'll have proven leadership skills and a hands-on approach, be a clear communicator and motivator of people with a passion to deliver continuous Improvement through your team.

Veterinary Surgeon - East Anglia.

You may be an experienced or recently qualified MRCVS vet, with a passion to learn in a supportive environment. It's essential that you have strong communication skills with an ability to build business relationships across our community. You must have a full drivers' licence

For both opportunities we offer competitive remuneration package including company car, medical insurance and relocation support if required. We also offer the opportunity to attend industry conferences and networking opportunities worldwide.
