

Pig Veterinary Surgeon – Market-Leading Team

- *Farm Vet Background Considered*
- *No Prior Pig Experience Required*
- *No OOH*

Lloyd & Cowan are delighted to be working with a **leading name in the Irish agricultural industry**, which is seeking a **Pig Veterinary Surgeon** to join their established and well-respected team. This is a fantastic opportunity to work with **one of the most advanced and innovative animal feed and nutrition specialists in Ireland**, supporting commercial swine farms with high welfare and production standards.

The Role

This position is based in the **Midlands of Ireland**, involving travel to **client swine farms** across the region. Prior pig experience **is not required**, so if you come from a **farm veterinary background**, this could be a great opportunity to transition into a specialist field with **full support and training provided**.

- **Monday to Friday** role (8-4 or 9-5)
- **No OOH or bank holiday work**
- Work closely with farm clients to improve herd health, production efficiency, and biosecurity

Who They're Looking For

- A **veterinary surgeon** with **strong clinical knowledge** (previous pig experience not required)
- Someone with **excellent communication skills** to engage with farm clients
- A vet **committed to high standards of animal welfare and biosecurity**
- **VCI registered or eligible to register**

What's on Offer?

- Negotiable salary depending on experience
- Company vehicle supplied
- Fuel card, laptop & phone provided
- Generous holiday allowance
- No out-of-hours work

This is a rare opportunity to **step into a leading agribusiness role**, working with a company that **drives innovation and excellence in animal nutrition and herd health**.
